David:

This is pretty interesting. They are meeting on the 13th of December.....looks like Mr. Kizer is trying to "sell" his interest in Pineview Estates, via BIA's approval. However, I'm not exactly sure what is meant by "trust to fee"? You may want me to go to the meeting on the 13th, although I've not been invited?

Rich and I spoke about this last week. I have some ideas about a new, revised permit (as much as I hate the idea) which will require some infrastructure upgrades and "mandatory" pumping of individual septic tanks, which is the crux of the problem at the site. Let's get together tomorrow to discuss. I'm open all day, so let me know what works for you.....I don't have access to your calendar from home. A

I received this request for information from Mr. Allen. I believe you are working on this issue.
